# TERMS OF SALE

---

## PLEASE READ BEFORE BIDDING.

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, the first received gets the lot. When two or more unlimited bids on a certain lot are received, the first one received gets the lot at an advance of 5% over the highest bid.

When I receive your bids, I consider myself as your agent and buy the lot for you as much under your bids as the next highest bid will permit. I simply execute your bids for you as faithfully as if you had yourself been present at the sale.

## I CHARGE NO COMMISSION FOR EXECUTING BIDS.

Lots sold as catalogued. No lot is broken under any circumstances. Bid by number of lot and at SO MUCH PER PIECE. If there are ten pieces in a lot and you want to offer \$1.00 for the lot, make your bid 10c.

I guarantee all coins and notes to be genuine unless otherwise stated in catalogue. This guarantee holds good indefinitely.

Remittance should be made promptly in any way most convenient to yourself.

A neatly printed list of prices of this sale, showing amounts realized for each lot, will be sent for only 50c, CASH WITH ORDER. This is surely the cheapest and best method to keep posted on the prevailing prices of coins.

PLEASE SEND IN YOUR BIDS EARLY. All bids must be in on or before Tuesday, February 27, 1917.

If you have any coins that you want to sell either at auction or private sale, write me for terms.

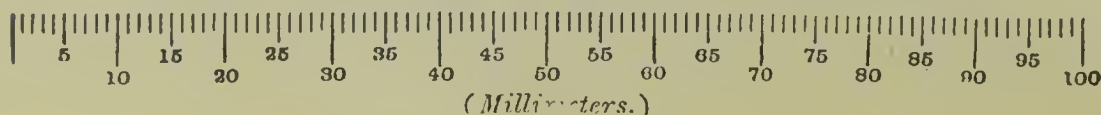

## NOTICE TO NEW BIDDERS.

Buying coins at auction sales is not the same as receiving coins on approval. The coins are bought for you on your order and you are of course expected to accept and pay promptly for them. Auction purchases are strictly net cash. Be careful in making your bids. Be sure that you bid for the lot you desire and at so much PER PIECE. Read the terms of sale before bidding.

TERMS: The terms of auction sales are strictly cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids or send satisfactory reference, otherwise they will not be accepted, as I cannot be expected to ship goods to parties whose good standing is not known to me.

## THE SIZE OF COINS AND MEDALS

#### COMPLETE SET OF THE FAMOUS THOMASON BIBLICAL MEDALS.

- 815 Complete set of sixty (60) Medals, each 72 mm. in diameter and of German silver. Each medal illustrates an historical Biblical event, beginning with Adam and Eve through the old and new testaments. The engravings are of the finest possible

workmanship. The dies were engraved from paintings of Donenichius, Raphael, Rembrandt, Michael Angelo and many other celebrated artists. They are all very artistic.

The entire collection is arranged in five volumes, 12 medals in each. Volumes are all plush lined with receptacles for each and every medal, and the outside of the volume is all bound in full morocco. Each volume measures  $10\frac{1}{2}$  x 14 inches and is  $1\frac{1}{4}$  inch thick. The medals are in absolutely perfect condition, most of them being proof, and a complete description of each and every engraving is given on the reverse.

These interesting medals were issued in England some thirty or forty years ago as "Thomason's Illustrations of the Holy Scriptures." The present owner purchased these in England over thirty years ago, and I believe this to be the first complete set to be offered in this country. Rare and of highest interest. To be sold as 60 pieces, and the lot, of course, not to be broken.

#### **Antique Gold Match Case.**

- 816 Match case of solid gold of 18 or 20 carat and most beautifully hand carved and engraved, wreaths of different colored gold. The clasp or push button is a genuine emerald valued at about \$15.00 to \$20.00. The case measures  $1\frac{1}{2}$  x 2 inches and weighs over 30 dwt. The workmanship alone would not cost less than \$25.00 to \$50.00. A beautiful and valuable antique.

- 1572 Ancient Roman (?) Bronze. Obv., Head of old man facing, I P on either side. Rev., dog sleeping, below ATA. Size 70. Weight 6½ ounces.
- Dr. Fisher writes me that this and lot following were bought from the British Museum by the late Dr. Heath. The story was given that these pieces were found while excavating an old spring at Ataria in Eastern Italy. In former times this spring had steadily furnished water, for all other springs and streams had gone dry, and to please the particular God of this spring, the people had thrown this money, jewelry, etc., into the spring, where they remained for hundreds of years. (The story is good even though it is a fabrication.)
- 1573 Another large bronze. Head facing to left wearing helmet. Rev., jug, snakes on either side. Size 65. Weighs 5½ ounces. Curious and interesting.
- 1574 Ancient China, large bronze coin, round, square hole in center. Unable to attribute it correctly but the characters have been translated to read "hao, lung, ping, yung." Rev. blank. Size 92 mm. Green patina. The first that I have seen. Quite interesting.
- 1575 Another as last but thicker and smaller, measuring 75 mm. Green patina. Very fine.
- 1576 India, Religious medal or token. Silver, size 48. Head of Indian Prince, native characters. The story that comes with this coin is that at a suitable place for prayer, this medal is laid head up, the devotee kneels, touches the Prince's bust with forehead, turns the picture over and repeats the prayer which is written thereon. Fine. Interesting.
- 1577 Bryan "Money." 1896 "Dollar." Liberty head similar to U. S. Dollar. Around, "Facsimile of a Dollar's Worth of Dollar Under Free Coinage." Rev., Lincoln's motto about not being able to fool all the people all the time. White metal. Size 62, 6 mm. thick. Fine. Scarce.

# Your Collection at Auction

When you think of selling your Collection, and if you decide on the "Auction Way,"—I do not ask you to altogether take my word for the **success** of my Sales.

It is not so much what **I say**, as it is what **others** have said and say;—these who have really tried my methods.

## READ THIS, PLEASE

Chicago, Dec. 8, 1916.

Mr. B. Max Mehl,

I thank you very much for the attention you have shown to this sale and the results are entirely satisfactory."

Yours very truly,

H. B. CONOVER,

The success of my sales do not "happen." They are the results of modern scientific business methods, based on a life-long experience, capital and honest efforts to please.

*Complete particulars cheerfully furnished. Personal interviews where the transaction warrants, can be arranged for any part of the country. Liberal amounts of cash advanced on collections or purchased for cash.*
